toward tax simplification by eliminating 10 of the worst taxes in the Tax Code today. We should pull these taxes out by their roots, not just reduce them, trim them or cut them back or decrease them. This will make it more difficult for them ever to grow back again.

That is why I am introducing the Top Ten Terrible Tax Act today—boy, that is quite alliterative—which would completely eliminate 10 of the most egregious taxes on the American people, including estate and gift taxes, the tax on telephone calls, capital gains taxes and the tax increase on Social Security beneficiaries. The American people deserve to keep more of their hard-earned money and the Top Ten Terrible Tax Act would provide much-needed tangible tax relief to every American.

WAIVING **POINTS** OF **ORDER** AGAINST CONFERENCE REPORT ON H.R. 775, YEAR 2000 READI-NESS AND RESPONSIBILITY ACT

Mr. DREIER. Mr. Speaker, by direction of the Committee on Rules. I call up House Resolution 234 and ask for its immediate consideration.

The Clerk read the resolution, as fol-

H. RES. 234

Resolved, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (H.R. 775) to establish certain procedures for civil actions brought for damages relating to the failure of any device or system to process or otherwise deal with the transition from the year 1999 to the year 2000, and for other purposes. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read.

The SPEAKER pro tempore (Mr. EWING). The gentleman from California (Mr. Dreier) is recognized for 1 hour. Mr. Dreier. Mr. Speaker, for pur-

poses of debate only, I yield the customary 30 minutes to the gentleman from South Boston, Massachusetts (Mr. MOAKLEY), the distinguished ranking minority member of the Committee on Rules, pending which I yield myself such time as I might consume. During consideration of this rule, all time that I will be yielding is for debate purposes only.

Mr. Speaker, the resolution provides for the consideration of the conference report to accompany H.R. 775, the Y2K Act. The rule waives points of order against the conference report and its consideration. The rule further provides that the conference report be considered as read. This rule is a fair rule which will enable the House to expeditiously consider this important and very timely matter.

Mr. Speaker, we all know the year 2000 is right around the corner, and most Americans have heard that some computers may, I underscore may, have a problem dealing with this historic date change. Now, I am not an alarmist, and I hope that we will not suffer major problems, but that does
